

CORRECTION

Dr. Noppadol Larbcharoensub has informed the editor to correct the unit and the table legend in the article “Cerebral Aspergillosis and Cerebral Candidiasis; A Retrospective Analysis of Clinicopathologic Features in Ramathibodi Hospital” published in J Med Assoc Thai 2010, 93, No.12, page 1443-1450 as follow:

1) from Tissue sections, 4 mm thick to Tissue sections, 4 μ m thick
in the sections of **Material and Method** in page 1444

2) from Neurological symptoms in the 38 patients with cerebral aspergillosis and cerebral candidiasis
to Microbiologic characteristics in the 38 patients with cerebral aspergillosis and cerebral candidiasis
in the legend of **Table 7.** in page 1447
